6. REQUEST FOR HEALTH CERTIFICATE AND TRACES-NT INFO

OUTBOUND JOURNEY:

First of all, we would like to remind you that influenza vaccination is mandatory for all gatherings of equidae in France. Please ensure that all horses comply with the French vaccination requirements before travelling.

To complete the sanitary procedures required for your outbound journey to France, please find below the TRACES-NT information to be used:

- TRACES ID: **FR20344386701**
- Organization: **Fédération Française d'Equitation (FFE)**

As a reminder, a health certificate is valid for only one movement, from the place of dispatch to the place of destination. Therefore, the TRACES certificate issued for the outbound journey (from your country of origin to France) cannot be used for the return journey.

Exception: Horses holding both a valid FEI Passport and a valid 'licence' issued by their National Federation (NF) require only one health certificate, which is valid for both the outbound and return journeys, as well as for movements between EU Member States, for a period of 30 days.

RETURN JOURNEY:

The FFE can assist with the management of the return health certificate on TRACES-NT by:

- arranging for an official veterinarian to carry out the mandatory clinical examination (the associated costs will be borne by the team);
- organising an on-site appointment with the local veterinary authorities, avoiding the need to travel to their offices in Blois (approximately one hour from the Parc Équestre Fédéral).

If you wish to use this service, please complete the following form no later than Tuesday, 4 August.

Please note that only one response per team is required.

>> Request for FFE Assistance – Return TRACES Certificate <<

If we do not receive your response by this deadline, we will unfortunately not be able to assist you with these procedures and will assume that your National Federation will either manage the process independently or appoint a private service provider.

We will contact all teams requesting FFE assistance with the management of their return TRACES certificate.

As part of this process, you will be asked to provide clear and legible PDF copies of the following documents. We therefore encourage you to begin gathering them now :

- Copies of the following pages from each horse's identification document (passport):
 - Identification details (name, microchip number, date of birth, sex, etc.);
 - Graphic outline diagram (silhouette);
 - All vaccination pages.
- The TRACES certificate number corresponding to the horse's outbound journey from its country of origin to France (this information may be provided at a later stage if it is not yet available).

Should you have any questions, please do not hesitate to contact:
